

After thoughtful consideration, we believe it to be in the best interest of our employees, customers, and community to restrict access to our bank lobbies. Accordingly, effective Friday, March 20, all bank lobbies will be closed to the public until further notice.

Drive-thru and walk-up service will remain available at all branches and personal service will be available by appointment, during our regular business hours, to accept loan applications and open new accounts. Our ATMs will be in service 24 hours a day, 7 days a week.

If you have not already done so, now is the time to enroll in our electronic banking service at [www.bankofnewmadrid.com](http://www.bankofnewmadrid.com) or to download our Bank of New Madrid mobile app to your Apple or Android device. With these products, you are able to access your accounts remotely and check balances, view transactions, make payments and deposits, locate an ATM and much more.

We apologize for any inconvenience this may cause, but believe this to be the responsible course of action at this time. We will continue to closely monitor COVID-19 and consider guidance from public health officials and government agencies.

Thank you for your cooperation and understanding during this challenging time.
